Fun&Fit
COMPANY

ABOUT OUR COMPANY

The Fun&Fit company was founded in 1991. under the name Florida Bel.

At the very beginning, the company has been producing exotic nuts, dried fruits and snacks. Over the years bussines activities started to expand to direct processing, frying, roasting and packaging of finished products. These products were formulated and produced according to thoroughly prepared recipes based on market experience. As of 2007, the company has been a part of Delta Holding.

Our commitment to innovations and continuous improvement of the production and the variety of products led us to constant expansion of the production capacity. Today, the Fun&Fit Company is equipped with automatic and semi-automatic packaging machines, continuous roasters for dry roasting and other state-of-the-art machines and appliances.

Product quality is our main concern, we choose modern, flexible packaging materials, which preserve the quality of the finished product and are suitable to every modern consumer.

In accordance of the present trends in the food market, the company has introduced a wide variety of products.

As of 2016, Florida Bel company operates under the name The Fun&Fit Company. This change of the name and logotype was a part of the rebranding process and establishment of a new corporate identity which marked the beginning of a new business chapter on the domestic market and abroad. This way the company demonstrates its willingness to embark on new business ventures, strengthen its image and meet the requests of its partners and consumers more efficiently.

We are committed to establish and maintain long-term relationships with clients and consumers by offering products of the highest quality.

We are innovative company with a significant, positive influence on market trends. Enterprise with a network of satisfied clients, offering high-quality products.

We respect and promote integrity, honesty, openness, commitment to personal growth and appreciation of others. We care for our clients, consumers, suppliers and associates.
